

WHO WE ARE AND WHAT WE DO

The Friends of Beaumont Park is a voluntary group actively working with Kirklees Council to regenerate the Park and restore it to its former glory.

The group has a committee made up of people like you. The work is done by sub-groups looking after: Events, History and Heritage, Visitor Centre, Signage, Park Affairs, Funding and Administration. We are now working with other organisations in the area including schools in order to benefit the whole community.

Our frequent visitors can see that much work has already been done but there is more to do. We need better facilities – especially for families and young people in our neighbourhood.

We always need help especially on event days. If you would like to get involved please contact us on 01484 645217 or by email friends@fobp.co.uk.
