

Dip into the OPAL network

OPAL Water Survey 2010

Funded by Big Lottery, OPAL is running a national pond survey in Summer Term 2010 which anyone can take part in. By recording the insects and other invertebrates living in your local pond, you can help us to understand more about pond health all over England.

Want to take the plunge?

Come along to a **free training event** for teachers

When: Tuesday 25 May 4.00 – 5.30 pm

**Where: The Depot, Beaumont Park,
Beaumont Park Road, Huddersfield, HD4 7AY**

Who should attend: Science / Geography teachers

- find out more about OPAL and the OPAL Water Survey
- try the Water Survey out for yourself
- meet teachers from other schools participating in OPAL
- refreshments provided

Interested?
