Who we are

And

what we do

The Friends of Beaumont Park is a voluntary group actively working with Kirklees Council to regenerate the Park and restore it to its former glory.

About FoBP

Formation

Over the years there have been many changes to the Park, resulting in it falling into disrepair and suffering from neglect. The castle was demolished in 1964, the paddling pool was filled in and grassed over in 1988, and when the Pavilion was demolished in 1998 a group of local residents formed the Friends of Beaumont Park to act as a pressure group working with Kirklees Council with a view to restoring the Park.

Following members approval given at our AGM in December 2008 we applied to become a Company Limited by Guarantee and with effect from 1 April 2009 we became a Limited Company and on 23 April 2009 we became a Registered Charity.

Company No. 6834350

Charity No. 1129268

VOLUNTEER WORKING PARTIES

The committee is split into sub-groups looking after:

History and Heritage

Events

Visitor Centre

Signage

Park Affairs

Funding and Administration

A programme of work is drawn up each year in association with Kirklees Council, and the 'Friends' volunteers carry out various tasks in the park, mainly in the winter months. Among other activities this can involve clearing paths, cutting back overgrown vegetation and assisting in re-planting programmes.

We have several volunteers who help in the Visitor Centre and others who deal with administration. We always need help on event days. If you are able to help please contact us on 01484 645217 or by email friends@fobp.co.uk.

In 2003 a Visitor Centre was provided by Kirklees Council, situated near the main entrance and officially opened by Sir John Harman, then chairman of the Environment Agency.

The visitor Centre opens Thursdays and Sundays 1.30pm to 3.30pm and all event days.
